## **8) Elvington show 2019 BMFA stand**

Now looking like the stand won't be present at the show.

## **9) CAA new registration and testing scheme presentation Sunday 17th November**

Event not going to take place when originally planned as the situation is still fluid although once the requirements from the CAA are finalised then an event is desirable.

## **10) Northern Area events for the 2020 budget**

Northern Area fly-in and Flightfest – budget £1000.

Registration scheme meeting as per point 9 – budget £1000 to cover 2 delegates from each club from the area.

Trinity swapmeet as per point 13 – budget £200.

Dishforth as per point 11 – budget £1000

Toilet hire for supporting Northern Area club events – budget £600.

Northern Area club indoor flying – budget £1000.

Contributions towards Northern Area club indoor flying – budget £600.

## **11) Dishforth 2020 – licence and management.**

Dishforth has been very poorly attended in 2019 despite it being a good facility. The licence disciplines for 2020 will be discussed at further meetings before the 2020 application is made.

## **12) Northern Area fly-in**

The fly-in will be run again in 2020, possibly linking it in with a Northern Area flightfest event. This would mean the event would have to be held in May but this isn't seen as a major issue. Provisionally set for the 16<sup>th</sup>/17<sup>th</sup> May 2020.

**13) Trinity swapmeet.**

The swapmeet will be going ahead in February or March.

**14) A.O.B**

Reminders for a PR event at Buckminster will be held on Saturday 2<sup>nd</sup> November.
